Whether you are travelling to the VFW National Convention next month in Louisville, Kentucky, going to a family reunion, or taking a vacation, you will find a variety of travel pieces at the VFW Store to help you get ready for your trip.

The VFW Store carries two luggage tags for your contact information. One tag has a U.S. flag design and the other has a military dog tag design. Easily identify your checked bags as they go around the carousel with one of these luggage tags.

The VFW Store also offers a soft-sided rolling tote that makes a perfect carry-on piece. It has a locking pull-up handle and in-line skate wheels, plus multiple pockets and organizers.

A basecamp backpack has a padded laptop compartment plus an RFID-blocking pocket to keep your credit cards safe.

Give your shoulder a break with a VFW Logo strap wrap for your bags. If you're driving, it also makes your vehicle's seatbelt more comfortable.
