

VFW Action Alert: Pass the Dole Act Now

Veterans and caregivers deserve help now!

Nov 14, 2024

H.R. 8371, the Senator Elizabeth Dole 21st Century Veterans Healthcare and Benefits Improvement Act, would provide enhancements to critical health care services for veterans and caregivers who need help now and cannot wait any longer.

It has bipartisan support in the Senate but is not supported by Democrats in the House. Contrary to certain opposing voices, this IS a good piece of bipartisan-negotiated legislation that had input from numerous organizations representing veterans, caregivers, and survivors from around the country.

To get this important piece of legislation passed, we need your help! [Contact your elected representative and strongly urge them to vote in favor of H.R. 8371 today!](#)
